They light their pumpkins up now
They put their costumes on
Parade through the pouring rain
October's passing by
A marathon of skeletons
Nobody here knows my name

I wear no silvercoat or devilhorn
On this night when they say dead become alive
Oh I

I've got no party to go to
Got no friends in this town
I've got no party to go to
Just roaming round and round
I'd settle for anyone
Who'd make me not go through this night unseen
I've got no party to go to
Got no friends in this town

I don't know what I'm doing here
I'm just putting my life on hold
And I don't know
Where the hell I got the idea
That I'd be better off alone

Oh well here I am impersonating someone
Who is very loved and deeply cared about
Oh I've

Got no party to go to
Got no friends in this town
I've got no party to go to
Just roaming round and round
I'd settle for anyone
Who'd say they'd dance the night away with me
I've got no party to go to
Got no friends in this town
