"Shame On Me"

How can I say I feel alone
Got an inbox that's full
Got a terribly busy telephone
What is wrong with me
How can I not love life
With this drop dead apartment
This incredibly beautiful boy by my side
Shame on me
Shame on me

Shame on me
I keep forgetting what my mama said
She said
"No matter what you think
You'll always be at least OK"
So shame on me
Shame on me
Big, big shame on me

Guess I got everything that a girl could ever wish for
All my dreams have been fulfilled to the brim
And then just a little bit more
So shame on me
Shame on me
Shame on me
I keep forgetting what my daddy said
He said
"You could screw your whole life up
And I would still love you to death"
So shame on me
I should have listened more carefully
Shame on me
Shame on me
Big big shame on me

Big Big shame on me
I said big big shame on me

Shame on me
I keep forgetting what my sister said
She said
"Yeah sometimes you suck pretty hard"

But you're the best sister I'll ever get"
So shame on me
I shut my ears so foolishly
Shame on me
Shame on me
Shame on me
Shame on me
Big big shame on me

Shame on me
Big big shame on me
Shame shame on me
Shame shame on me
Shame shame shame on me
Shame shame on me
Shame shame on me
Shame on me
