Lately it seems she keeps hitting him over the head
with word when

Should they go left or right or maybe high or low
why can he pretend
That things will stay the same and he can just keep on

(Chorus)

Chilling out, and sleeping in on Mondays
And she's been wasting all her time
cos he's so not into
Waking up and working out 9 to 5 all week
The kids the house the dog and the S.U.V
will they ever agree

Sometimes she wonders if she every going to live up to
who they could be?
the real world is heading harder like a hid speed train
and
And he's not ready
HE wants things to say the same
so he can just keep on

(Chorus)

Chilling out, and sleeping in on Mondays
And she's been wasting all her time
cos he's so not into
Waking up and working out 9 to 5 all week
The kids the house the dog and the S.U.V
will they ever agree

Yeah yeah yeah
she really doesn't know where they stand
will they compromise or walk away
he really loves to again and again
he wants it to stay they same
She really want to change but
he just wants to keep on

(Chorus)

Chilling out, and sleeping in on Mondays

And shes been wasting all her time
cos hes so not into
Waking up and working out 9 to 5 all week
The kids the house the dog and the S.U.V
will they ever agree

yeah yeah yeah

(Chorus)

Chilling out, and sleeping in on Mondays
And shes been wasting all her time
cos hes so not into
Waking up and working out 9 to 5 all week
The kids the house the dog and the S.U.V
will they ever agree
