my heart is heavy like a stone
i'm on the road of no return
embracing life all on my own
with no illusion of eternal love
i still hear
every promise sounds so clear
i still hear
every whisper in my ear
only time will heal my soul
and free my mind
i will find my way back home
maybe somehow i'll move on
and i will no longer live for yesterday
no more tears for me to cry
no regrets and no good-bye
there is no turning back
i cannot stop
nothing can get me to stay
i walk away
i walk away
so cold
(so cold)
became a restless soul
i only pray
to let me go
'cause too long
i live the life
too much i love her
never asking why
i still hear
every promise sounds so clear
i still hear
every whisper in my ear
only time will heal my soul
and free my mind
i will find my way back home
maybe somehow i'll move on
and i will no longer live for yesterday
(no more)
no more tears for me to cry
no regrets and no good-bye
there is no turning back

i cannot stop
nothing can get me to stay
i walk away
i walk away
i walk away
i walk away
i walk away
