"I Concentrate On You"

Whenever skies look gray to me and
Trouble begins to brew
Whenever the winter winds become too strong
I concentrate on you

When fortune cries "Nay, nay" to me
And people declare "You're through"
Whenever the blues become my only songs
I concentrate on you

On your smile, so sweet, so tender

When at first my kiss you do decline
On the light in your eyes when you surrender
And once again our arms intertwine

And so when wise men say to me
That love's young dream never comes true
To prove that even the wise men can be wrong
I concentrate on you
