You could have a great career,/ mogao si da imaÅ; sjajnu karijeru

And you should;

Yes you should.da, trebao si

Only one thing stops you dear:

You're too good;

Way too good!

If you want a future, darlin',

Why don't you get a past? zaÅ;to nemaÅ; proÅ;lost(?) ?

'Cause that fateful moment's comin' at last...jer taj sudbonosni momenat najzad dolazi

We're all alone, sami smo

no chaperone Can get our number nijedan pratioć nema naÅ; broj

The world's in slumber-let's misbehave! svet je san

There's something wild about you child

That's so contagious

Let's be outrageous-let's misbehave!- hajde da budemo siloviti

When Adam won Eve's hand

He wouldn't stand for teasin'.

He didn't care about those apples out of season.

They say that Spring means just one little thing to little lovebirds

KaÅ;u da proleÅ;e je samo jedna sitna stvar za ptice ljubavi

We're not above birds-let's misbehave! - mi nismo iznad ptica

It's getting late and while I wait

My poor heart aches on

Why keep the breaks on? Let's misbehave! zaÅ;to da se suzdrÅ;avamo? hajde da...

I feel quite sure affaire d'amour

Would be attractive

While we're still active, let's misbehave!dok smo joÅ; aktivni, hajde

You know my heart is true

And you say you for me care... i rekla si da ti je stalo do mene

Somebody's sure to tell, neko sa sigurno
But what the heck do we care? ali kog vraga da brinemo?

They say that bears have love affairs
And even camels
We're men and mammals
