It's been a long time since u left me
I didn't mean to make u cry
I didn't mean to disappoint u
I didn't mean to tell you lies

[Bridge]

And after all that we have been through
Won't you let me tell u why?

[Chorus]

One more try
I didn't know how much I loved u
One more try
Let me put my arms around u
Living all these lonely nights
With out you
Oh baby can we give it one more try

It's been a long time since I kissed u
It always used to feel so good
And if u knew how much I missed u
Will u forgive me if u could?

[Bridge]

And now that we have found each other
Can we give it one more try?

[Chorus]

One more try
I didn't know how much
One more try
Let me put my arms around you
Living all these lonely nights without u
Oh baby can we give it one more try

And after all we've been through
Won't you Let me tell you why
And now that we have found each other
Can't we give it one more try

One more try

I didn't know how much
One more try
Let me put my arms around
Living all these lonely nights
Oh baby can we give it one more try

{spoken}

Oh girl u know I love you I just want u to know
Our love is always treasure, so please don't
let me go.
