I'am a forgotten man  
And understand  
My world is ruled by a different law  
In a forgotten land  
It's my last stand  
I don't like your way any more

I'am a forgotten man  
And understand  
That I have found what you're looking for  
In a forgotten land  
Not second hand  
I close the windows and the door

What's your name  
Place of birth  
Vote for me  
All I'm worth  
No arrears  
Ignore Tears  
Stumble through the living years  
Hanging faces  
No embraces  
Deadly rays  
Holiday  
You can't stop me  
You forgot me  
You don't know me  
You don't know me

I'am a forgotten man  
And understand  
My world is ruled by a different law  
In a forgotten land  
It's my last stand  
I don't like your way any more

I'am a forgotten man  
And understand  
That I have found what you're looking for  
In a forgotten land

Not second hand  
I close the windows and the door

Don't intrude  
I'm alone  
It's my world  
It's my home  
No Goodbyes  
Swollen Eyes  
Hidden from your cheating lies  
Canging places  
No more traces  
What a shame  
Computer game

You ain't got me  
You forgot me  
You don't know me  
You don't know me

I'am a forgotten man  
And understand  
My world is ruled by a different law  
In a forgotten land  
It's my last stand  
I don't like your way any more

I'am a forgotten man  
And understand  
That I have found what you're looking for  
In a forgotten land  
Not second hand  
I close the windows and the door

What's your name  
Place of birth  
Vote for me  
All I'm worth  
No arrears  
Ignore Tears  
Stumble through the living years  
Hanging faces  
No embraces  
Deadly rays  
Holiday  
You can't stop me  
You forgot me  
You don't know me  
You don't know me
