rainy days never said goodbye
to decide when we are together
rainy days growin' in your eyes
tell me where's away

remember that piano
so delightful, unusual
that classic sensation
tentimender confusion

just to say
i like shopp?
love me now and again
ohoooohoooh

rainy days never said goodbye
to decide when we are together
rainy days growin' in your eyes
tell me where's away

imagine your'e face in
a sunshine reflection
a vision of blue skyes
forever distraction

just to say
i like shopp?
love me now and again
ohoooohoooh

rainy days never said goodbye
to decide when we are together
rainy days growin' in your eyes
tell me where's away

rainy days never said goodbye
to decide when we are together
rainy days growin' in your eyes
tell me where's away

rainy days never said goodbye

to deside when we are together
rainy days growin' in your eyes
tell me where's away
