I don't need a lot of things
I can get by with nothing
With all the blessings life can bring
I've always needed something
But i've got all i want
When it comes to lovin' you
You're my only reason, you're my only truth

I need you like water, like breathe, like rain
I need you like mercy from Heaven's gate
There's a freedom in your arms, that carries me
through I need you

You're the hopes that moves me
To courage again
You're the love that rescues me
When the cold winds rage
And it's amazin' cause that's just
How you are and I can't turn back now
Cause you brought me too far

I need you like water, like
breathe, like rain
I need you like mercy from Heaven's gate there's a
freedom in your arms
that carries me through
I need you

Oh yes I do, Oh
I need you like water, like
breathe, like rain
I need you like mercy from Heaven's gate
There's a freedom in your arms
That carries me through
I need you
Oh yes I do,
I need you
Oh, oh, oh

I need you, oh-ho
