Lost and all alone I always thought that I could make it
on my own, since you left I hardly make it through the
day, my tears get in the way and I need you back to
stay

I wander through the night and search the world to find
the words to make it right, all I want is just the way it
used to be with you here close to me I've got to make
you see

That I'm lost without your love, life without you isn't
worth the trouble of, I'm as helpless as a ship without a
wheel a touch without a feel, I can't believe it's real and
someday soon I'll wake and find my heart won't have to
break

Yes, I'm lost without your love, life without you isn't
worth the trouble of, all I want is just the way it used to
be, I need you here with me Oh darlin' can't you see

If we had love before we can have it back once more
