The whisper in the morning of lovers sleeping tight are
rolling like thunder now as I look in your eyes

I hold on to your body and feel each move you make
your voice is warm and tender a love that I could not
forsake

Refrain

Cause you are my lady and I am your man whenever
you reach for me I'll do all that I can

Even though there may be times It seems I'm far away
never wonder where I am cause I am always by your
side

(Repeat Refrain)

We're heading for something, somewhere I've never
been, sometimes I am frightened but I'm ready to learn
of the power of love

The sound of your heart beating made it clear
suddenly the feeling that I can't go on is light years
away

(Repeat Refrain)

We're heading for something, somewhere I've never
been, sometimes I am frightened but I'm ready to learn
of the power of love
