Wake me from this nightmare  
I can hardly breathe  
No  
I a job that don't go nowhere  
I got no one to see yeah  
I can't find all that I've lost  
I don't know what I've found  
They tell me pick up my cross  
But I can't get off the ground  
No  
Help me help me yeah  
I lost all I own  
I think I've made it Oh no  
I was wrong  
I was wrong  
Things I couldn't live without  
All fell to the floor  
Yeah  
Hear me scream and shout  
I can't take anymore  
No  
Help me help me yeah  
I lost all I own  
I think I've made it Oh no  
I was wrong  
Anticipating  
Appreciating  
Contemplating  
I feel jaded  
Help me help me  
I lost all I own  
I think I've made it Oh no  
I was wrong  
Help me help me yeah  
I lost all I own  
I think I've made it Oh no  
I was wrong  
I was wrong  
I was wrong  
I was wrong  
I was wrong

I was wrong  
I was wrong
