Life is full of lots of up and downs
And the distance feels further
When you're headed for the ground
And there is nothing more painful
Than to let you're feelings take you down
It's so hard to know the way you feel inside
When there's many thoughts and feelings that you hide
But you might feel better
If you let me walk with you by your side.

And when you need a shoulder to cry on
When you need a friend to rely on
When the whole world is gone
You won't be alone, cause I'll be there
I'll be your shoulder to cry on, I'll be there
I'll be a friend to rely on
When the whole world is gone
You won't be alone, cause I'll be there.

All of the times when everything is wrong
And you're feeling like
There's no use going on
You can't give it up
I hope you work it out and carry on
Side by side, with you til the end.
I'll always be the one to firmly hold your hand
No matter what is said or done
Our love will always continue on.

Everyone needs a shoulder to cry on
Everyone needs a friend to rely on
When the whole world is gone
You won't be alone cause I'll be there
I'll be your shoulder to cry on, I'll be there
I'll be the one you rely on when the whole world's gone
You won't be alone
'Cause I'll be there.

And when the whole world is gone
You'll always have my shoulder to cry on...
