Been havin' a ball since I was a boy in Beaumont
I love that town but I just couldn't stay
Two stepped all the way to Amarillo
Shuffled my way into Santa Fe

I just had to see the sunset out in Frisco
The Golden Gate is great
But it ain't home, give me a rodeo

Blame it on Texas, don't blame it on me
I am what I am and that's what I'm gonna be
You can say what you wanna say about my insanity
Blame it on Texas, don't blame it on me

Met a girl out in eastern Oklahoma
Her daddy was a Tulsa millionaire
With miles and miles of oil wells he'd leave her
Well, all a man could want was waitin' there

But one night while she lay sleepin' I slipped away
Like no man in his right mind would do
Call me a fool

Blame it on Texas, don't blame it on me
I am what I am and that's what I'm gonna be
You can say what you wanna say about my insanity
Blame it on Texas, don't blame it on me

You can say what you wanna say about my insanity
Blame it on Texas, don't blame it on me
