You've been gone almost a month, girl, I nearly died
Twenty seven days and nights I sat right here and cried
Weren't for your memory I'd been here all alone
Goodbye heartache, darlin' welcome home

Treat me anyway you want to, even cuss and swear
Call me anything you need to, I promise I won't care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin' welcome home

There's really just no good excuse for the things I've
said
The way that I stood up to you, I must have lost my
head
I'm not ashamed to say, "Thank God those days are
gone"
Goodbye heartache, darlin' welcome home

Treat me anyway you want to, even cuss and swear
Call me anything you need to, I promise I won't care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin' welcome home

Treat me anyway you want to, even cuss and swear
Call me anything you need to, I promise I won't care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin' welcome home
Goodbye heartache, darlin' welcome home
