I ain't never been with a woman
Long enough for my boots to get old
We've been together so long now they both need
resoled
If I ever settle down you'd be my kind
And it's a good time for me to head on down the line

Heard it in a love song
Heard it in a love song
Heard it in a love song
Can't be wrong

I'm the kinda man likes to get away
Like to start dreamin about tomorrow today
Never said that I love you, even thought it's so
Where's that duffle bag of mine it's time to go

I'm gonna be leaving at the break of dawn
Wish you could come but I don't need no woman
tagging along
So I'll sneak out that door couldn't stand to see you cry
I'd stay another year if I saw a tear drop in your eye

I never had a damn thing but what I had I had to leave it
behind
You're the hardest thing I ever tried to get off my mind
Always something greener on the other side of that hill
I was born a wrangler and a rambler and I guess I
always will
