We step out on the dance floor the band starts to play  
Holding you close I get carried away  
Finding that falling is easy to do  
Lost in the feeling with you

Time's standing still as I Whirl you around  
We're dancing without even touching the ground  
Finding that falling is easy to do  
Lost in the feeling with you

No words are spoken  
None need to be said  
You and the music  
Have gone to my head

But I'll just go on when the music is through  
Lost in the feeling with you  
Lost in the feeling with you  
Lost in the feeling with you
