Spinnin' those curlers round all day
Her little beauty shop provides a way
To work at home and sleep in late
So she can dance the night away

Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance

And she can be dancin' to nothin' at all
And she does a mean swing with the shadows on the
wall
Yeah, and I bet she's done the two step a million times
Yeah, she drives all the boys on the dance floor wild

Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance

Ooh, she can't stand still
Yeah, she's dancin' off the wall
Dancin' on the window sill

Yeah, pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
And Vickie Vance gotta dance
Baby, Vickie Vance gotta dance
Yeah, Vickie Vance gotta dance
