You say country like it's a bad thing  
Tease me baby for the way I am  
Uptown, uptight, you're way a living  
I can never be that kind of man

You got your powdered up painted on lipstick  
I got a hole in my brand new jeans  
You'd never be caught dead in a pickup  
I'd get mud in your limousine

So what are we doing in love  
You tell me 'cause I give up  
The odds are stacked, a hundred to one  
So what are we doing in love

Sweet tea, cornbread, fried green tomatoes  
Football, NASCAR, Redman chew  
You're champagne and caviar kisses  
I'm cheeseburgers and 90 proof

I'm a dirt poor redneck cowboy  
You're a woman of the world  
I don't know what you see in my brown eyes  
You can do so much better than me

Girl, what are we doing in love  
You tell me 'cause I give up  
The odds are stacked, a hundred to one  
So what are we doing in love

Why do you love me?  
I give up baby

What are we doing in love  
You tell me 'cause I give up  
The odds are stacked, a hundred to one  
So what are we doing in love  
So what are we doing in love
