She'll call, I'll drop
Everything and run
She'll ask, she'll get
Anything she wants

Take all my money
And take all my time
There's nothing of mine
That I won't sacrifice

When you love her like crazy
That's what you are
You don't think
You just follow your heart

Am I a fool outta my mind?
Yeah, well maybe
But that's how it is
When you love her like crazy

She'll smile at me
And I'll come unglued
She'll cry those tears
And I'll hurt too

Forget all logic
And all reasons why
There's a word that describes
What I'm acting like

When you love her like crazy
That's what you are
You don't think
You just follow your heart

Am I a fool outta my mind?
Yeah, well maybe
But that's how it is
When you love her like crazy

Am I a fool outta my mind?

She's my baby
And that's how it is
When you love her like crazy, like crazy
