I got  
Place to go and people to see  
Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
Ain't fucking with a bi- bitch

I got  
Place to go and people to see  
Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
C-O-L-E-T-T-E

Driving around non stop  
It's my noddy  
One step will take a toll on my body  
Lack of sleep  
No time in the day to eat  
Always riding in the passenger seat  
I got places to go and people to see  
Ain't fucking with a bitch like me  
Always busy, busy  
Living life and i'm dizzy dizzy  
I make shit up but  
I'm not a lair  
Spittin' fire, mare like barbed wire  
Gettin' loud like an amplifier  
Amplifier like amplifier  
Cause it's party time I got confetti  
Words cut hard like a Maserati  
So you better get ready  
Cause i'm one confused white girl  
(I think she's deadly)

(Chorus:)  
I got  
Place to go and people to see  
Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
Ain't fucking with a bi- bitch

I got  
Place to go and people to see

Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
C-O-L-E-T-T-E

A.T now got the green now  
Callin' me a bitch  
Cause I mean now  
A.T now it's my style  
DJ let the beat drop

Dropped on my head, defiantly  
Now the effects are effin me  
I make it rain, yes it rain  
Low on energy feeling drained  
I don't stop!  
It's just go, go, go  
Life flys to fast so live it slow  
It's precious assignment  
Every damn thankful  
For the presents  
Presents like gifts  
Got people to inspire  
An spirits to lite  
Taking risks not to caution  
Enjoy the day until we feel nutation  
Hands in the air get obnoxious  
Cause life is toxic  
It's all good I get money cuz I talk sick  
Were delirious  
Fuckin' with this bitch and it get SERIOUS!

(Chorus:)  
I got  
Place to go and people to see  
Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
Ain't fucking with a bi- bitch

I got  
Place to go and people to see  
Ain't fucking with a bitch like me  
Ain't fucking with a bitch like me  
C-O-L-E-T-T-E

A.T now got the green now  
Callin' me a bitch  
Cause I mean now  
A.T now it's my style  
DJ let the beat drop  
C-O-L-E-T-T-E
