I don't want a lot of things

I don't need a party every night to keep me entertained
I don't want to sing that kind of tune all I want is you
Listen I don't want a pot of gold
I don't need all the silver my bank account can hold
I don't want to be that kind of fool all I want is you

All I want is you all I want to do is love you

Your arms around me tight every day and night I want
to

Love you strong and true all I want is you

Mercy naw na na naw na na

[guitar]

All I want is you...
All I want is you all I want to

Naw na na naw na na naw na na naw na na
