I know that I'm not worthy of your love,  
You know all the sins, that I am guilty of,  
Here I am asking on my knees, deliver me  
You know I haven't always done what's right,  
I've never gone as wrong, as I've gone tonight,  
It will take more than the truth to set me free,

Deliver me  
When the storm rolls in, deliver me  
When I've reached being, help me to see  
Show me the way, lord I pray deliver me,

Passions of the heart are hard to groom  
Desires of a woman can make a man a fool,  
And like a fool I wanted to believe, deliver me  
Now a gun lies on the table by my bed,  
And the thoughts of her with him keep running through  
my head,

And lord you know that I am weak,  
X2

Deliver me  
When the storm rolls in, deliver me  
When I've reached being, help me to see  
Show me the way, lord I pray deliver me,
