Staring at your yes just now
makes me pray that someday somehow I will find a way
And make it through this
Darlin baby lets just stay right
How am I supposed to sleep at night
When my wife and beautiful might never see me awake
again
Be a husband
Be a man
Be a father, I don't think I can
And what if I'm lost beyond her memory
I pray for memories
I wish I was to say
A song to sing a prayer to pray
I could make the story have a happy ending
But there's so much I don't know and
It's hard to break the weak and
show the question of life an death is killing me anyway
Be a husband
Be a man
Be a father, I don't think I can
And what if I'm lost beyond her memory
I pray for memories
And oh god give me strength because
Oh god this is too much for me
And oh god won't you please let me live in her
memories
I pray for memories yeah
Be a husband
Be a man
Be a father, I don't think I can
And what if I'm lost beyond her memory
