Straight line
Open freeway
Take us right back to where it begins
Tonight
No more waiting
It's already been
23 years

The life we lead here's
Not totally perfect
Got a weekend run
It's gonna be worth it

Say you'll learn someday, child
It's never what it seems
I just wish that I could
Lock it up and leave

Mama told me don't run away
But I've seen this
And I don't wanna stay

Straight line
Open freeway
Take us right back to where it begins
Tonight
No more waiting
It's already been
23 years
I've got high expectations
We just can't fight from where we stand
This time
No more waiting
It's already been
23 years

I would go anywhere
As long as you're with me
To get outta here
Find what is missing

Up on the 101

Past San Francisco
I say I think we're lost
You say we're starting to find it all

Straight line...

There's a bottom
And I think I've
Found it this time
There's a wall
But I won't hit it
Again on this try
There are falls
But I have fallen
Enough
Times.
