Got  
To catch  
My breath  
Worked so hard  
To show  
That I  
Don't care anymore  
Prove  
To you  
That I am strong  
Alone

It  
Is just  
Too much  
It has always been  
The two  
Of us  
Through thick and thin  
Isn't that what we said

Where did you go?  
Where did you go?  
I need who you were  
More than ever  
Where did you go?  
Where did you go?  
I always thought  
That we ran deeper  
Pieces of me  
Are stuck to the heart  
Inside you  
Pieces of me  
Are stuck to the heart  
Inside you

And I'm not leaving  
The thread is golden

Words  
You said  
All the promises

It took  
Some time  
Reassuring but  
I believed  
You know I believed  
You were true

I let  
You in  
Yeah, I fell right into it  
The wonder  
The pain  
The fatality  
Stepped over it all  
On your way to the door
