Top 40, news, weather and sports  
Top 40, news, weather and sports

Last night I was  
Getting my homework up  
And listening to my radio

I was kinda sleepy  
But was writing my theme  
While I was digging my DJ Show

It was Top 40, news, weather and sports  
And I was writing on current affairs

Next morning when I  
Got up to read my theme  
You should have seen  
All the classroom stare

I had Abominable Snowman hunters  
A-bringing in Fidel Castro  
I had President Ike up at the mike  
Singing, Are You Lonesome Tonight

I had the U.N. lost  
In a snow out west  
And Khrushchev squealing  
You talk too much

And there was Brenda Lee  
Running track for state  
And there was Kennedy  
Giving a station break

And the guys down at Canaveral  
Were shoveling snow  
Hollering, let's go, whoa, whoa...

Top 40, news, weather and sports  
Top 40, news, weather and sports

And I had Mickey Mantle

Riding on a camel  
Through the rains  
Down in Death Valley

I had Mr. Nehru  
At the weather bureau  
Giving the humidity

And I had Lolita  
Humming mighty sweet-a  
New Orleans off key, key, key  
Rockefeller singing acappella  
Save that little ole dance for me

Top 40, news, weather and sports  
Top 40, news, weather and sports
