It's been so long
Since we last met
I wonder now
How I could let you go
Though I don't dare to try too hard
Let me come closer to you

I hate to see you sad
Although I don't know you so very well
If I can help in any way
Let me come closer to you

So please don't run away again

I know you're strong enough to do it
But if you can't
Please understand
Let me come closer to you

It's been so long
Since we last met
I wonder now
How I could let you go
Though I don't dare to try too hard
Let me come closer to you
