Hold on
Don't take it too fast
I've told you before
I want this to last
If we take it more slowly
There's more chance to know me
I've got so much to tell you
You've so much to show me

Who's that knocking on my door
Who's that ringing on my bell
Who's that loving me so well
It's you for sure
Who'd ask for more

Don't ask
For I won't tell
The way I'm feeling
You know very well
I've been waiting so long
Till your love came along
And this feeling's so strong
That I know it's not wrong

Whos' that knocking on my door
Who's that ringing on my bell
Who's that loving me so well
It's you for sure
Could ask for more

Who's that knocking on my door
Who's that ringing on my bell
Who's that loving me so well
It's you for sure
You could ask for more
