little baby in a manger low  
born out in a stable for there was no place to go  
to the wisemen and the shepherds  
He's no stranger He's a king  
and as they kneel before Him  
they slowly began to sing

they're singing

joy to the world  
the Lord has come  
hark the harald angel sing  
silent night oh holy night  
this is the song the wisemen sing

snow is falling and i hear the sound  
of the crackle in the fireplace  
as the embers burning out  
stockings are hanging on the mantle  
tinsel on the christmas tree  
and out upon the front porch you can hear  
the carolers sing  
they're singing

joy to the world  
the Lord has come  
hark the harald angels sing  
silent night oh holy night  
this is the song the carolers sing

joy to the world  
the Lord has come  
hark the herald angels sing  
silent night oh holy night  
this is the song the carolers sing  
this is the song the caorlers sing  
this is the song the carolers sing
