Is it unfair to say that You are leading,  
Then try and face this mountain on my own,  
Why am I scared, I've never stopped believing,  
And You never left me alone.  
Well, I can get ahead of where you've led me to,  
But I will trust Your heart enough to wait for You ...

CHORUS:

Until this mountain moves,  
Until the path is clear,  
Until Your voice is the only one I can hear.  
Until I see Your hand,  
Until I know Your heart,  
Until I trust the grace that's carried me this far  
I will be still, until ...

How could I have never seen this coming,  
It's not like I've been running from Your will,  
Tell me why each day's another mystery,  
Waiting for Your truth to be revealed,  
I try to tell my heart to trust what I believe,  
And wait on You through all of my uncertainty ...

CHORUS:

Until this mountain moves,  
Until the path is clear,  
Until Your voice is the only one I can hear.  
Until I see Your hand,  
Until I know Your heart,  
Until I trust the grace that's carried me this far  
I will be still, until ...

Bridge:

Be still my heart of worry,  
Be still my restless soul,  
Be confident and certain,  
Be still and know

CHORUS:

Until this mountain moves,  
Until the path is clear,  
Until Your voice is the only one I can hear.

Until I see Your hand,  
Until I know Your heart,  
Until I trust the grace that's carried me this far  
I will be still, until ...  
Oh, I will be still, until
