I'd like to sail to lands afar
Out on a boat that's built for two
Beneath a canopy of stars
That would be just like a dream come true
Just to be with you

And oh, oh, oh, ohhh
When we're together
Oh, oh, oh, ohhh
Feels like forever

Worries seem to fade away
As they become as distant memories
When we're together

I'd like a castle on a hill
Where you and I could spend the day
And I'd love to go where time stands still
And all that doesn't matter fades away
You are here with me

And oh, oh, oh, ohhh
When we're together
Oh, oh, oh, ohhh
Feels like forever

Worries seem to fade away
As they become as distant memories
When we're together

And I'd love to
Dance with you
Under the big blue sky
We'd hold the
Wonder of the moment
As the moment passes by

When we're together

And oh, oh, oh, ohhh
When we're together
Oh, oh, oh, ohhh

Oh, oh, oh, ohhh
Feels like forever
Oh, oh, oh, ohhh

Feels just like forever!!
Oh, oh, oh, ohhh
Yeah, whenever we're together
Oh, oh, oh, ohhh

When we're together
