Well, it started a long time ago  
When we both were young  
We played the radio  
Too much dreaming's come undone  
Too much dreaming, no harm done.

We used to steal the show  
With the sounds we made  
You're in some songs I wrote  
What it means, I would not say  
What it means, I could not say.

But I'll see you, my friend  
I'll meet you on the river  
I need time to mend  
I'll meet you on the river  
Meet you on the river  
Meet you on the river.

Well, it ended cold and sad  
One December night  
You left and hurt me bad  
I wish we'd never had that fight  
Who was wrong and who was right?  
Who cares now? I'm alone tonight.

And I'll see you, my friend  
I'll meet you on the river  
I need time to mend  
I'll meet you on the river  
I'll meet you on the river.

I'm sorry now  
(I'm sorry now)  
I should've said that years ago  
But time's allowed me  
To let it go  
Oh, oh...

Well, I'll see you, my friend  
I'll meet you on the river

I need time to mend  
I'll meet you on the river  
Meet you on the river  
Meet you on the river.
