My darling girl  
My darling girl  
You're all that matters  
In this wicked world  
All that matters  
All that matters  
My darling boy  
My darling boy  
All of my sunshine  
And all of my joy  
You're all that matters  
All that matters

Well, i can't stop the pain  
When it calls  
I'm a man  
And i can't stop the rain  
When it falls, my darling  
Who can?

My darling girl  
My darling girl  
You're all that matters  
In this wicked world  
All that matters  
All that matters  
My darling friend  
My darling friend  
All we've got going  
Is love in the end  
It's all that matters  
All that matters
