What he got  
The others have not  
He's the man  
I said what he got  
The others have not  
He's the man

Has to be done  
To be number one  
When the (? is down)  
He'll turn it around  
'cause first there's the best  
And then there's the rest  
And he's the man

He's the man  
He's the man  
He's the man

He's the man  
He's the man  
He's the man

What he got  
The others have not  
He's the man  
I said what he got  
The others have not  
And he's the man

Has to be done  
To be number one  
When the (? is down)  
He'll turn it around  
'cause first there's the best  
And then there's the rest  
And he's the man

He's the man  
He's the man  
He's the man

He's the man  
He's the man  
He's the man

First there's the best  
And then there's the rest  
And he's the man  
First there's the best  
And then there's the rest  
He's the man

Yeah  
He's the man
