It's a mystery to me - the game commences  
For the usual fee - plus expenses  
Confidential information - it's in a diary  
This is my investigation - it's not a public inquiry

I go checking out the reports - digging up the dirt  
You get to meet all sorts in this line of work  
Treachery and treason - there's always an excuse for it  
And when I find the reason I still can't get used to it

And what have you got at the end of the day?  
What have you got to take away?  
A bottle of whisky and a new set of lies  
Blinds on the window and a pain behind the eyes

Scarred for life - no compensation  
Private investigations
