A lovestruck Romeo sings a streetsuss serenade
Laying everybody low with a lovesong that he made
Finds a streetlight steps out of the shade
Says something like you and me babe how about it?

Juliet says hey it's Romeo you nearly gimme a heart
attack
He's underneath the window she's singing hey la my
boyfriend's back
You shouldn't come around here singing up at people
like that
Anyway what you gonna do about it?

Juliet the dice was loaded from the start
And I bet and you exploded in my heart
And I forget I forget the movie song
When you gonna realise it was just that the time was
wrong Juliet?

Come up on different streets they both were streets of
shame
Both dirty both mean yes and the dream was just the
same
And I dreamed your dream for you and now your
dream is real
How can you look at me as if I was just another one of
your deals?

When you can fall for chains of silver you can fall for
chains of gold
You can fall for pretty strangers and the promises they
hold
You promised me everything you promised me thick
and thin yeah
Now you just say oh Romeo yeah you know I used to
have a scene with him

Juliet when we made love you used to cry
You said I love you like the stars above I'll love you till I
die
There's a place for us you know the movie song

When you gonna realise it was just that the time was
wrong juliet?

I can't do the talk like they talk on TV
And I can't do a love song like the way it's meant to be
I can't do everything but I'd do anything for you
I can't do anything except be in love with you

And all I do is miss you and the way we used to be
All I do is keep the beat and bad company
All I do is kiss you through the bars of a rhyme
Julie I'd do the stars with you any time

Juliet when we made love you used to cry
You said I love you like the stars above I'll love you till I
die
And there's a place for us you know the movie song
When you gonna realise it was just that the time was
wrong Juliet?

And a lovestruck Romeo sings a streetsuss serenade
Laying everybody low with a lovesong that he made
Finds a convenient streetlight steps out of the shade
Says something like you and me babe how about it?
