You gotta run me down you gotta run me down
If you want to contact me you gotta run me down

I got work to do Im the busiest man in town
If you want to contact me you gotta run me down

When I gets my dough Im kinda hard to find
If you want me to pay your bills you gotta run me down

Now the rootest he crowed and them old hens looked
around
Said if you want to make love you gotta run me down

When I had my money you used to follow me around
Now I have got broke you gotta run me down
