Your six blade knife can do anything for you  
Anything you want it to  
One blade for breaking my heart  
One blade for tearing me apart  
Your six blade knife - do anything for you

You can take away my mind like you take away the top  
of a tin  
When you come up from behind and lay it down cold on  
my skin  
Took a stone from my soul when I was lame  
Just so you could make me tame  
You take away my mind like you take away the top of a  
tin

I'd like to be free of it now - I don't want it no more  
I'd like to be free of it now - you know I don't want it no  
more

Everybody got a knife it can be just what they want it to  
be  
A needle a wife or something that you just can't see

You know it keeps you strong  
Yes and it'll do me wrong  
Your six blade knife - do anything for you
