It wasn't just the music  
It wasn't just the wine  
Some other kind of magic  
Was sending shivers up my spine

And I was falling  
And I fell for you and how  
Darling, are we in trouble now

They say, we're grown up  
We've been searching all this time  
I wouldn't own up  
Never would admit to flying blind

But in the darkness  
We found each other anyhow  
Darling, are we in trouble now

When we'd talk it over  
Love was a cry from a distant shore  
Then we found each other  
And all that we'd been searching for

And I'm done denying  
I guess, by now you know  
I'm through with trying  
Can't bring myself to let you go

And all of these feelings  
We said, we never would allow  
Darling, are we in trouble now  
Yeah darling, are we in trouble now
