Bewildered
Lost in a dream of you
Where is the love I once knew
Why did we part

Bewildered
I'm helpless without you dear
Wishing your heart could hear
What's in my heart

Why must I have sleepless nights
And endless days
But love, you took my soul
Without a thought
I'm in the dark

Bewildered
I need your guiding hand
I will never understand
Why did you leave me bewildered

Why must I have sleepless nights
And endless days
But love, you took my soul
Without a thought
I'm in the dark

Bewildered
I need your guiding hand
I will never understand
How could you leave me bewildered
