She's goin' shoppin', shoppin' for shoes  
She wanna them in magenta and Caribbean blue  
Platinum and buttercup, lilac and black  
They fill a bucket up and laugh behind her back

Imelda baby, Imelda baby what to do?  
All the poor people sayin' that they gotta quit payin' for  
you

In New York and Paris on the Champs Elysees  
They see her comin' from a long long way  
Yeah they clap their hands together when they get her  
in the store  
She's gonna wanna get more more more and more and  
more

Imelda baby, Imelda baby what to do?  
All the poor people sayin' that they gotta quit payin' for  
you

Everyone's gone Jackie O  
She was a regular here  
We thought madame would like to know  
We've got the blood red rouge right here

Now we've got all of madame's requisites and all in  
madame's size  
Madame's taste is truly exquisite, she must  
accessories  
Yeah the belts are alligator, the bags are kangaroo  
Enchant may I say the jade was made for you

Imelda baby, Imelda baby what to do?  
All the poor people sayin' that they gotta quit payin' for  
you  
Yeah all the poor people sayin' that they gotta quit  
payin' for you

Imelda baby, Imelda baby what to do?  
All the poor people sayin' that they gotta quit payin' for  
you  
All the poor people sayin' that they gotta quit payin' for

you, yeah
