Sunday mornin', here we are  
The boy's come home  
Not quite the movie star

He's been in Hollywood  
The boy's come home  
The boy's done good

He says she asked too high a price  
Neglecting to declare  
What sits between them there on ice  
Chilled with the fizzy and the still  
He tried but didn't make it there

It's not for me  
It's not for me

He says she asked too high a price  
Neglecting to declare  
What sits between them there on ice  
Chilled with the fizzy and the still  
He tried but didn't make it there

It's not for me  
Not for me

Sunday papers, here we are  
The boy's come home  
The boy's come home
