Don't give a damn for money  
Never did I give a damn for gold  
Tell me little doll, talk some sweet nothing  
A river runs deep and cold

Don't know why but it keeps running  
Don't know why I can't come down

Moses has stood on the mountain  
Devil made it thunder and rain  
Girl, I ain't afraid of temptation  
No, I ain't afraid of some pain

Watchin' little doll she just come runnin'  
Running straight away  
Straight to me I got sweet nothing  
And only myself to blame

I don't know why I just keep running  
Don't know why I can't come down

Walk, don't you walk on me  
Don't you step, don't you step on me  
Don't you walk, don't walk on me  
Don't you step on me

Don't have no thing for money  
Got no jones for gold  
All I got today is some sweet nothing  
Nothing to take away

Don't know why I just keep running  
Don't know why I can't come down  
Don't know why somebody  
Somebody hears today

Don't know why, sweet nothing  
Nothing to take away

No, I ain't afraid of temptation  
No, ain't afraid of some pain  
No, I ain't afraid of some pain

Somebody, somebody  
Somebody, can't come down  
Somebody, can't come down  
Can't come down

Somebody, can't come down  
Can't come down  
Can't come down  
Don't know why I can't come down  
[Incomprehensible]
