Little girl have I told you
How you light up my life
Come and lay down beside me
Come and thrill me tonight
Do you wanna?

I'm not sayin'™ I love you
I won't say I'll be true
There's a crimson bird flyin'™
When I go down on you

I'm so weary and lonesome
And it's cold in the night
When the path to your doorway
Is a pathway of light

Do you wanna come walk with me?
Do you wanna come walk with me?
If you do, baby, say it now
No, we both wonder anyhow

Do you wanna come walk with me?
Do you wanna come walk with me?
Do you wanna?

Little girl, have I told you
You're my guidin'™ North Star?
And my love travels with you
Far wherever you are

From the mountains to the valley
Leave the light on for me
From Virginia to Alaska
From sea to shinin'™ sea

Do you wanna come walk with me?
Do you wanna come walk with me?
If you do, baby, say it now
No, we both wonder anyhow

Do you wanna come walk with me?
Do you wanna come walk with me?

Do you wanna?

Do you wanna come walk with me?
Do you wanna come walk with me?
If you do, baby, say it now
No, we both wonder anyhow

Do you wanna come walk with me?
Do you wanna come walk with me?
Do you wanna? Do you wanna?
Do you wanna? Do you wanna?
