(lyrics by Mitchell Parish, music by Peter De Rose)

When the deep purple falls over sleepy garden walls  
And the stars begin to flicker in the sky  
Through the mist of a memory you wander back to me  
Breathing my name with a sigh  
In the still of the night once again I hold you tight  
Though you're gone, your love lives on when moonlight  
beams  
And as long as my heart will beat, lover we'll always  
meet  
Here in my deep purple dreams  
Here in my deep purple dreams
