Little girl have I told you  
How you light up my life  
Come and lay down beside me  
Come and thrill me tonight  
Do you wanna?

I'm not sayin' I love you  
I won't say I'll be true  
There's a crimson bird flyin'  
When I go down on you

I'm so weary and lonesome  
And it's cold in the night  
When the path to your doorway  
Is a pathway of light

Do you wanna come walk with me?  
Do you wanna come walk with me?  
If you do, baby, say it now  
No, we both wonder anyhow

Do you wanna come walk with me?  
Do you wanna come walk with me?  
Do you wanna?

Little girl, have I told you  
You're my guidin' North Star?  
And my love travels with you  
Far wherever you are

From the mountains to the valley  
Leave the light on for me  
From Virginia to Alaska  
From sea to shinin' sea

Do you wanna come walk with me?  
Do you wanna come walk with me?  
If you do, baby, say it now  
No, we both wonder anyhow

Do you wanna come walk with me?  
Do you wanna come walk with me?

Do you wanna?

Do you wanna come walk with me?  
Do you wanna come walk with me?  
If you do, baby, say it now  
No, we both wonder anyhow

Do you wanna come walk with me?  
Do you wanna come walk with me?  
Do you wanna? Do you wanna?  
Do you wanna? Do you wanna?
