Fix  
It's true  
Keeps on rainin' baby  
All crystalline  
Your word in my head  
Gonna watch from the balcony  
Sing backwards and we  
Fix  
It's true  
Keeps on raining baby  
There's no explainin' baby  
Gonna drive that terraplane  
Across the frozen ocean  
We've always been together and it's good  
Love will be what's hidden  
In every single fragment  
I look and I fly  
A flower born from you  
And I am joined with you  
And adorned with you  
Fix  
It's true  
Gonna keep raining baby  
Oh yeah yeah yes  
And it's you that I'm missing  
Won't come up missing  
Well I'm torn from you  
Want to be reborn with you  
So crystalline  
Fix It's true  
Keeps on rainin' baby  
Keeps on rainin' baby  
Drive that terraplane  
Down into the ocean  
We've always been together  
And it's good  
Got no need for shelter  
Everything's forgotten  
All is forgiven and understood  
A flower born from you  
Reborn in you  
And adorned baby

When I am joined with you  
Fix  
It's true  
Keeps on rainin' baby  
Keeps on rainin' baby
