Bright new mornin'
I have had the ?
in the evening
i have hold on me

beautys in grain
god help pray the rain

said id be there folowwing the rain

nothing left to say
nothing left to do
nothing left to say
nothing left to do

Bright new mornin'
I have had the ?
in the evening
i have hold on me

beautys in grain
god help pray the rain

swore id be there following the rain

nothing left to say
nothing left to do
nothing left to say
nothing left to do
